PAGE

Accidents, The Relationship of Impaired Physical Condition to 470
C. G. Farnum.

Accuracy of Diagnosis of Municipal Health Conditions Based upon Vital Statistical Data 865
Franklin C. Gram.

Activated Sludge, Some Remarks on 1218
W. T. Carpenter and M. P. Horowitz.

Adams, F. 867
Water Chlorination Experiences at Toronto, Canada.

Addendum to "An Analysis of Appendicitis Statistics," by Knud Stouman, Vol. VI, No. 7 1013

Administrative Accounting of Health Departments, Report of the Committee on the Uniform 746
Haven Emerson, Chairman.

Air Dustiness, A Study of Methods for Determining 1049
George T. Palmer, Lawrence V. Coleman, Harry C. Ward.

Alcohol and Syphilis. Their Relation to Mental Hygiene 1272
Frankwood E. Williams.

American Public Health Association, Minutes of the Forty-Third Meeting of the 1001

American Public Health Association—Official Annual Membership List, 1916 619

American Public Health Association—Resolutions Adopted, 1916 1163

Analysis of Appendicitis Statistics 714
Knud Stouman.

Anderson, John F. 1139
Some Important Public Health Problems.

Andrews, John B.
Physical Examination of Employees 825
Industrial Hygiene and Health Insurance 959

Appendicitis Statistics, An Analysis of 714
Knud Stouman.

Arkin, Aaron 323
Recent Advances in Our Knowledge of Infectious Diseases.

Armstrong, Donald B. 546
Social Aspects of Industrial Hygiene.

Bacillus Carrier and the Restaurant 726
Arthur I. Kendall.

B. Coli Group Isolated from Various Sources, Comparisons of the Acid Production of the 39
Wm. H. Browne.

B. Coli in Some Tropical Surface Waters, A Study of the Prevalence of 1173
James Ten Broeck Bowles.

Bacterial Counts in Water Examination 488
Joseph F. Race.

Bacterial Examination of Sausages and Its Sanitary Significance 124
William E. Carey.

Bacterial Testing Versus Dairy Inspection 569
C. E. North.

Bahlman, Clarence 854
Milk Clarifiers.

Baker, S. Josephine 1078
The Control of Communicable Diseases in Schools.

Baldwin, Herbert M. 862
Some Observations on Homogenized Milk and Cream.

PAGE

Bates, Carleton, with Lester A. Round 841
A Comparison of Bacteriological Methods for the Examination of Oysters.

Bates, Carleton 987
The Handling of Shucked Oysters.

Bartow, Edward 160
Proposed Alterations in Procedure for Standard Methods of Water Analysis.

Bell, F. D., Chairman 1119
Report of the Committee on Cold Storage.

Bibliography of Tuberculosis in Its Relation to House Infection and Housing Betterment 1327
James Ford.

Bingeman, Melissa E. 694
Live a Little Longer: The Triple Alliance Between the Public, the Physician and the School.

Book Reviews 80, 173, 284, 410, 514, 595, 769, 881, 1014, 1122, 1239, 1334

Booker, Warren H. 1201
Public Health Work through the Press in North Carolina.

Bowles, James Ten Broeck 1173
A Study of the Prevalence of B. Coli in Some Tropical Surface Waters.

Brown, Lawrason A., with S. A. Petroff and F. H. Heiss 1148
The Occurrence of Living Tubercle Bacilli in River Water Contaminated by Sewage from a Health Resort.

Brown, Lucius P. 671
The Experience of New York City in Grading Market Milk.

Browne, Wm. H. 39
Comparisons of the Acid Production of the Bacillus Coli Group Isolated from Various Sources.

Bubble Fountain, The Standardization and Control of the. Editorial 1288

Bubonic Plague. Editorial 242

Campbell, C. MacFie 1278
The Relation of Social and Economic Factors to Mental Hygiene.

Cancer and Public Health 118
Francis C. Wood.

Cancer Registration, Efforts for the Improvement of 791
Curtis E. Lakeman.

Cancer Statistics, Practical Uses of. Editorial 822

Carey, William E. 124
The Bacterial Examination of Sausages and Its Sanitary Significance.

Carpenter, W. T., with M. P. Horowitz 1218
Some Remarks on Activated Sludge.

Cause of Death from Clinical and Pathological Viewpoints, Reliability of Statements of 680
Haven Emerson.

Caverly, Charles S. 1196
The Value of Isolation Hospitals for Small Cities.

Census of the Contagious Diseases of 8,786 Children 971
E. C. Henderson.

Chaddock, Robert E. 533
Sanitary Districts in the Analysis of Municipal Mortality and Morbidity Data.

Chapin, Charles V. 909
Sixty Years of the Proividence Health Department.

Chase, J. Frank 814
The Suppression of the Drug Vice Considered from the Demand Side.

Chesley, A. J. 234
The Control of Scarlet Fever.

Chlorination Experiences at Toronto, Canada, Water 867
F. Adams.
